

COPPELL ACADEMY INFORMATIONAL MEETING

FALL 2018

Meghan Morales - VP of Competitive | Jon Davies - Director of Academy & Coppell FC Coach

WHAT IS COPPELL ACADEMY?

- A competitive academy program for ages U7 to U10 (birth years 2009 to 2012)
- An opportunity for skilled recreational soccer players within CYSA to train with professional coaches from Challenger Sports right here in Coppell
- Formed in fall of 2013, now competing in our tenth season of academy soccer this spring
- Access to beautiful city of Coppell fields
- An affordable competitive option with some the lowest fees in DFW
- A program that augments CYSA's recreational league by providing additional competitive training and minimizing conflicts with recreational games

CYSA RECREATIONAL SOCCER & COPPELL ACADEMY

Is the Coppell Academy a replacement for CYSA recreational soccer?

All players are encouraged to play for their CYSA recreational team and enjoy both forms of youth soccer. U7 & U8 (2011 & 2010 birth year) players are required to play CYSA rec soccer. Coppell Academy U9 & U10 (2009 & 2008) players have the option to play Coppell Academy only soccer.

What days are practices for the Coppell Academy?

U7, U8 & U9 teams will have one academy practice per week – about 75% of teams practice Wednesday evenings
U10 teams will have two academy practices per week – typically Wednesday & Friday evenings

CYSA RECREATIONAL SOCCER & COPPELL ACADEMY

What days are games for the Coppell Academy?

Coppell Academy games take place on Sunday afternoons – typically after 11am

What days are practices & games for the CYSA recreational league?

Recreational practices are set at the discretion of the recreational coach

Games typically take place on Saturdays & CYSA no longer schedules Sunday games for U7-U10, thus no conflict with academy games on Sundays

WHAT SHOULD I CONSIDER FOR AN ACADEMY PROGRAM?

- Are the coaches licensed and experienced?
- What are the overall goals of the program?
- Are the coaches professional and do they enjoy what they are doing or just in it for the money?
- How many teams do the coaches have?
- Are they actually creating a stand alone team with an appropriate size roster or will they expect my child to play for multiple teams because of low roster size?
- Does the Academy have regular access to fields?
- Is the organization running the Academy non-profit?
- Do they offer additional skills training?

COPPELL ACADEMY OPEN PRACTICE SCHEDULE | FALL 2018

Friday May 18
Sunday May 20
Wednesday May 23

Age	Birth Year	Gender	Times
U7	2012	Boys & Girls	5:30 to 6:45pm
U8	2011	Boys & Girls	5:30 to 6:45pm
U9	2010	Boys & Girls	7:00 to 8:15pm
U10	2009	Boys & Girls	7:00 to 8:15pm

COPPELL ACADEMY OPEN PRACTICE REQUIREMENTS

How many open practices does my child need to attend?

- Attendance at a MINIMUM of 2 open practices is required to be considered for the Coppell Academy if your player has never previously played for the academy before.
- Current Academy players will be informed by their respective coach if they are requested to attend open practices

How will teams be selected from the open practices?

- Coppell Academy coaches will be running the 3 open practices & assessing players throughout.
- From the assessment notes, Coppell Academy coaches will make final decisions on player selection for the fall season.

How & when will I found out if my child has made a Coppell Academy team?

- Parents will be informed via email approximately 1 week after the final open practice.

Do I need to register for the Coppell Academy open practices?

- YES** – this allows to keep in contact regarding any potential rainouts and follow up with final decisions etc.
