2018-2019

Meghan Morales - VP of Competitive | Jon Davies - Director of Academy & Coppell FC Coach

COPPELL FC

WHAT IS SELECT SOCCER?

- Select soccer offers a place for players that are ready for more advanced development and competition based on their current skill level, knowledge and understanding of the game, aptitude, drive, and passion for soccer
- In addition to advanced skill level, it requires a deeper commitment of time and money than recreational soccer
- It needs to be a commitment that is discussed between parents and children and an active commitment made by all parties
- Commitment to a team is for a full calendar year, unlike recreational soccer which is one season at a time
- Minimum age for competitive soccer is 10 years old (U11/2008 Birth Year), regardless of whether your child played U10 this year

CHOOSING THE RIGHT CLUB

- What is the philosophy behind the club?
- What are the goals & directions for the specific team you are looking at?
- Does the club have control over its practice facilities? Will they be accessible weekly and in the off season?
- Is the club non-profit?
- How much are they charging and what does it specifically include (and EXCLUDE)?
- Does the club have a strong board backing it? Are they members of North Texas State Soccer Association?
- How much coaching turnover do they have for a team that stays together?

CHOOSING THE RIGHT CLUB

- **Professionalism** – How is their presentation, punctuality, appearance, conduct, discipline?
- **Experience** – How much experience and training do they have coaching? What licenses?
- **Enjoyment** – Does the coach enjoy coaching or is it a job?
- **Communication** – Are they consistent, frequent and responsive?
