

Non- CYSA Team Practice Field Guidelines

Provisions

Non-CYSA teams must provide to CYSA:

- Proof of insurance* for each player and coach.
- Proof of current criminal background check on all team personnel.
- An Official roster of players, coaches and managers.

Official team roster is limited to maximum roster size per CYSA guidelines and is comprised of no less than 75% Coppell residents. A team practice is restricted to rostered players only.

Non-CYSA teams must pay the following fee to CYSA each season to reserve a practice field.

- \$500 per team per season

Coaches must have the Official team roster and the CYSA practice field verification card with them whenever using CYSA fields.

** Proof of insurance must meet the minimum requirements as determined by the City of Coppell Parks Department.*

Procedures

CYSA teams have priority over Non-CYSA teams in regard to practice field sign up.

Five days before the start of each season, Non-CYSA teams may sign up for a reserved practice field in the CYSA office.

All teams must come in to the CYSA office to secure a practice field.
