

Instructions for Updating A Player's Data with CYSA

1. go to www.sportspilot.com
2. Log on using your username and password
 - a. If you don't have them, click on "I don't know my User Name and/or Password" at the bottom of the log in section on the page. They will be sent to you via email.
 1. You must enter an email address currently on file with your player's data.
 2. You must be able to access the emails sent to this address to retrieve your log in information.
3. Once logged in, click on the **Edit My Information** button found underneath the player's basic information in the top portion of the page.
 - a. The system will only allow you to update specific information. It will not allow you to change the DOB or the team name.
 - b. You may also edit your username and password on this page to something that is easier for you to remember instead of the auto-generated username and password assigned to your player by Sports Pilot.

If you have any problems with this process, just send me an email and I'll do what I can to help you.
