

Forfeit Policy

Before game day...

The Coach must notify their commissioner at least 48 hours in advance and in writing of intent to forfeit a scheduled game. If this process is not followed, the coach is responsible for reimbursement to the league for the game's full ref fees.

On game day...

If either team does not have enough to play by 10 minutes after kick off then the game is considered a forfeit. If the teams decide to stay and scrimmage, then that is their decision. Referees are not required to stay since the game is not considered a sanctioned game.

Minimum number of players needed to start a game is as follows:

U5/U6 - 3 per team

U7/U8 - 3 per team

U9/U10 - 5 per team

U11/U12 - 6 per team

U13-U19 – 7 per team
