

## **Goal Differential Policy**

In order for all of our players to have a better soccer experience, we have a scoring policy to prevent horribly lop-sided outcomes. Every Coach, regardless of age division, is expected to keep the score of the game within 6 points. There are many ways to keep the score differential within this reasonable limit. If a Coach needs guidance or ideas on how to manage this requirement, please reach out to the age-appropriate commissioner or any CYSA Board Member and they will be happy to assist.
